EDITORIAL

Hello world,

Welcome to the first edition of the Edurama Solutions newsletter. Through this medium, we hope to introduce you to our UNITY ERP, our school management system and how it can greatly benefit administrators, teachers, parents and students.

Why be stuck in the stone age when the world is moving to a smart age? Adapting cutting edge technology to your specific requirements, can help not only increase productivity but also make for a happy, more positive workforce. Read on to know more!

Regards,

Team Communication

WHO WE ARE

Edurama Solutions offers a world class innovative automated management system for educational institutions that are designed to enhance the efficiency of functioning of schools, strengthen teaching methodologies and promote an engaged student learning experience.

Through our award winning Unity ERP, we provide modules for managing administration, fees, salaries, academics, examinations, human resources, transport, etc. This integrated platform manages complete communication between stakeholders i.e. the students, faculty, management and parents; and improves operational effectiveness and brings down administrative costs.

- 50+ YEARS OF EXPERIENCE IN BUSINESS OPERATION MANAGEMENT
- 10+ YEARS OF EXPERIENCE IN EDUCATION
- PRESENCE IN 14+ STATES AND 250+ SCHOOLS
- TEAM OF EXPERTS WITH GLOBAL EXPERTISE IN TECHNOLOGY AND EDUCATION

MANAGE YOUR SCHOOL THROUGH UNITY ERP

UNITY ERP is a school management system that provides a one stop solution to all your operational needs. Through its various features, UNITY aims to revolutionise and digitise the functioning of any educational institution.

Through Unity ERP, one can implement the following:

- centralise automation
- create a paperless workflow
- eliminate data redundancy
- access comprehensive reporting options
- increase accountability through digital payments
- track safety and security
- monitor academic progress
- manage systems and processes

“Why be stuck in
the stone-age
when you can
move to the
smart-age?”,

GET IN TOUCH WITH US

Checklist for consideration:

- Are you having trouble managing your school or institute?
- Do you get lost in the immense paperwork with manual data entry and processing?
- Are you unable to track your students presence from their entry and exit points from school buses and premises accurately?
- Are you unable to get real time updates on your students movements?
- Are you unable to establish an effective two way communication system between all stakeholders?
- Do you have difficulty in managing finances effectively?

IF YOU ANSWERED YES FOR ANY OF THE ABOVE, THEN YOU NEED

TO CONTACT US IMMEDIATELY!
