**NOTE**

The visa result shall be emailed 110 days prior to your expected arrival date in India if you have applied more than 120 days in advance. If your application is submitted within 120 days prior to your expected arrival date in India then your visa result shall be emailed within 4 to 7 business days (Excluding Saturdays, Sundays and Indian Public Holidays) from the date of submission. If your travel is within 4 days then your visa result shall be emailed in maximum 3 Business Days. Your travel date must be after 72 hours from the time your application was submitted and paid for. Please send an email at info@e-visaindia.com or call 24/7 customer care if you haven't received the delivery in the above mentioned duration.

**Important:** The e-Visa fee once paid is 100% non-refundable. It can not be extended and can be availed only twice in a calender year. The approval and rejection is given by the Indian Government Visa Authority.
